

How to register

This service is offered for up to 3 years. You can opt for ThinkPad Protection at the time of purchase or within 90 days from the date of purchase. Protection coverage must be obtained in the country where service was purchased. Any form of repair as part of the service

is carried out by either Lenovo, your local business partner or an authorized warranty service provider. So choose ThinkPad Protection to secure peace of mind for your business and lower your total cost of ownership.

Visit www.lenovo.com for more information.

Contact your local business partner
or contact Lenovo at xxx-xxx-xxxx.

THINKPAD PROTECTION

Ultimate protection for your business ideas.

Ideas can happen anywhere. Little accidents can ruin them anytime. Coffee spills, an accidental fall or a sudden power surge could damage your notebook. This costs your business more downtime, a lot of dollars in repairs and precious working hours. It also brings work to a standstill while the notebook's being fixed.

Lenovo's ThinkPad Protection service takes on the responsibility and hassles of protecting your PC so you can dream up your ideas and get down to business anywhere - at home, in the office or on the move.

ThinkPad Protection is cost-effective.

ThinkPad Protection service provides repairs and replacement of damaged parts quickly and saves you up to 25%* in maintenance. All without hampering productivity at your end.

Because the service is carried out by Lenovo, you don't have to process claims with an insurance company either.

With ThinkPad Protection, you can accurately predict and budget service costs for the coming years. And lower the total cost of ownership as well.

*Based on actual Lenovo customer experiences.

What it covers

ThinkPad Protection for notebooks covers the following:

- Operating and structural failures resulting under normal operating conditions
- Minor drops
- Liquid spills
- Electrical surges
- Damage to the LCD screen

What it does not cover

ThinkPad Protection does not cover theft or loss, intentional fire, cosmetic or pre-existing damage or damage resulting from misuse or use under abnormal operating conditions.
